

Firma-Fix Nectar

LIFTING NECK & DÉCOLLETÉ SERUM

WHAT IT IS: This luxurious gel-serum tones and sculpts the neck and décolleté using a revolutionary epigenetic blend of anti-gravity, anti-wrinkle, and collagen-boosting peptides. It instantly hydrates the thinner, more delicate neck area while working to beautifully firm, tighten, and lift. Powerful antioxidants brighten and fade sun damage while protecting against free radicals that cause skin aging.

- Visibly tightens and firms with collagen-boosting and anti-gravity peptides
- Lifts and smooths fine lines with an anti-wrinkle peptide complex and hyaluronic acid
- Brightens and fades sun damage with a potent antioxidant blend

WHO IT'S FOR: All skin types, especially those experiencing crêpiness, sagging, or sun damage in the neck and décolleté area.

HOW TO USE IT: On clean skin, apply 1-2 pumps and use upward sweeping motions. During the day, follow with sunscreen.

AVAILABLE SIZES: Retail Size 1.7 FL OZ (50 mL)

KEY INGREDIENTS

Lifting Complex	Anti-Gravity Peptides	A combination of anti-gravity and wrinkle-relaxing peptides that enhance elastic fiber and dermal cohesion for increased firmness and lifting effect.
Hydrolyzed Collagen & Peptide Complex	Collagen-Boosting Agents	Peptide complexes that assist in improving structural integrity to fight against skin sagging and encourage a firmer appearance.
Enkephalin Peptides & Beta-Glucan	Soothing & Smoothing Agents	Unique biomimetic peptides and anti-inflammatory beta-glucans that help minimize irritation and redness to the skin and provide a smoother more uniform texture.
Mushroom & Botanical Complex	Skin Conditioning & Antioxidant Extracts	Seven types of mushrooms combined with traditional Chinese medicinal extracts including goldthread flower, star anise, and Baikal skullcap that firm, smooth, and provide extensive antioxidant protection.
Triple Hyaluronic Acid	Humectants	Three types of hyaluronic acid, including standard, hydrolyzed, and a super acetylated form to maximize the moisture retention in the skin.
Trehalose & Hydrolyzed Jojoba Esters	Moisturizing Agents	Help to limit transepidermal water loss and improve skin hydration and barrier function.
