

HydroPeptide Clarifying Toner Pads

Balance Control Pads

Anti-Wrinkle + Clarify Collection

What it is: These clarifying toner pads reveal healthy skin with renewing alpha-hydroxy acids and bacteria-fighting peptides to create a flawless complexion.

- Helps to reduce the appearance of fine lines and wrinkles
- Tones and balances without over drying
- Brightens and evens out discoloration
- Encourages cell turnover for a refreshed appearance
- Removes excess makeup residue and pollutants
- Helps pores appear smaller by dissolving dirt and oil

Who it's for: Suitable for all but the most sensitive skin types, especially acne-prone, congested, oily and aging skin.

How to use it: After cleansing, wipe affected area gently with pad. Do not scrub. May be used AM and PM.

Available Sizes: Retail Size 60 Pads

Key Formulated Ingredients:

1% Azelaic Acid 5% Lactic Acid	Exfoliants & Humectants	Helps to gently encourage healthy cell turnover while hydrating skin.
L-Arginine	Collagen & Hydration Support	Key amino acid in collagen production and a key component of skin's natural moisturizing factor (NMF).
BIOCLR	Botanical Active Extract	A blend of aloe, chamomile, amino acids and other nutrients that calm and nourish skin
Canadian Willowherb™ Allantoin	Anti-irritant & clearing agent	Fast-relief of skin irritations while reducing growth of <i>P. acnes</i> .
Witch Hazel	Astringent	Delivers an astringent benefit to improve skin's appearance, minimize the appearance of pores, and balance oil skin.
